International CyberFair by GlobalSchoolNet.org is an award-winning annual project-based learning program used by schools and youth organizations around the world since 1996. Youth conduct research and publish their findings using digital media. CyberFair is an opportunity to engage businesses, schools, and youth organizations in educational activities that improve academic achievement and contribute to mutual awareness and appreciation of their community history, leaders, issues, and needs. CyberFair is the oldest online educational event of its kind, bringing together more than 6 million students across 115 countries.
